Navigation

1. Spacing between icon & text is not the same as the Figma design.
2. The hover/Active state should be the same (in case one has selected any of the sidebar nav options, but if he/she hovers over other options it should have the same effect as Active/Selected).
3. The font seems different on the navigation sidebar.
4. In icon view the Active/Selected state should be square and not rectangular.
5. The logout icon is missing in the sidebar navigation (it should be below in the same navigation sidebar).
6. Upon clicking the profile icon, all information related to that particular user will be showcased in drawer form with a CTA for requesting an update/edit. Ref - https://www.figma.com/design/waKRnZTlsztJL49Vo0mtYg/Svasthya?node-id=830-250579&node-type=frame&t=IRLBPxuWLygUkzob-11
7. Notification & Get Help Icon are missing on the upper navigation (Please add those and on-click how it should look it is there in the component {Design}) Ref - https://www.figma.com/design/waKRnZTlsztJL49Vo0mtYg/Svasthya?node-id=2967-147942&node-type=frame&t=IRLBPxuWLygUkzob-11
8. Space between icon and text and between each other (Dashboard & Corporate) changes when shifting from icon view to full view (i.e Icon and Text view) in the side navigation, this should not be the case. 9. For the time being, please hide Dashboard and Report in navigation & under Setting (other settings)
10. Active and Hover state shadows should be the same in thickness as the Figma design. Currently, it is different. Ref - https://www.figma.com/design/waKRnZTlsztJL49Vo0mtYg/Svasthya?node-id=383-4089&node-type=frame&t=IRLBPxuWLygUkzob-11

Module Table & Drawer

1. A checkbox in the header of the table for the purpose of selecting all items.
2. The sort icon needs to be changed to match the design in Figma. Ref - https://www.figma.com/design/waKRnZTlsztJL49Vo0mtYg/Svasthya?node-id=1735-246042&node-type=frame&t=IRLBPxuWLygUkzob-11
3. The search icon needs to be updated to match its design in Figma. Ref - https://www.figma.com/design/waKRnZTlsztJL49Vo0mtYg/Svasthya?node-id=1735-246042&node-type=frame&t=IRLBPxuWLygUkzob-11
4. Pagination should be at the bottom of the table, with space between the table rows and the pagination. Ref - https://www.figma.com/design/waKRnZTlsztJL49Vo0mtYg/Svasthya?node-id=649-83685&node-type=section&t=IRLBPxuWLygUkzob-11
5. Actions should be aligned to the right side of the table, with information sliding underneath it.
6. The icon should be centrally aligned with the text.
7. All CTAs in the group at the top should have a side padding of 30px.
8. The call-to-action (CTA) button at the top is missing a hover state.
9. The color for the hover and active icons of the action options is missing. Ref - https://www.figma.com/design/waKRnZTlsztJL49Vo0mtYg/Svasthya?node-id=941-232603&node-type=frame&t=IRLBPxuWLygUkzob-11
10. In the drawer, the text seems to have less space between each field; please increase the spacing. Ref - https://www.figma.com/design/waKRnZTlsztJL49Vo0mtYg/Svasthya?node-id=459-20363&node-type=frame&t=nh2ikYo3cKEsLP6H-11

Please increase the width of the drawer, as it appears very cramped. Ref - https://www.figma.com/design/waKRnZTlsztJL49Vo0mtYg/Svasthya?node-id=459-20363&node-type=frame&t=nh2ikYo3cKEsLP6H-11

Login

1. The login screen should be centered on the page, rather than aligned to the top. Ref - https://www.figma.com/design/waKRnZTlsztJL49Vo0mtYg/Svasthya?node-id=123-2021&node-type=frame&t=IRLBPxuWLygUkzob-11
2. I believe we are missing a corporate login, if not then please share the link for the same.
